About My Internship with Clevered

- During this internship, I earned badges for Timely submission of an assignement and for Teamwork!
- The Internship has helped me

About App..

- **This is a game about the human brain. It explores some of our abilities using games.**
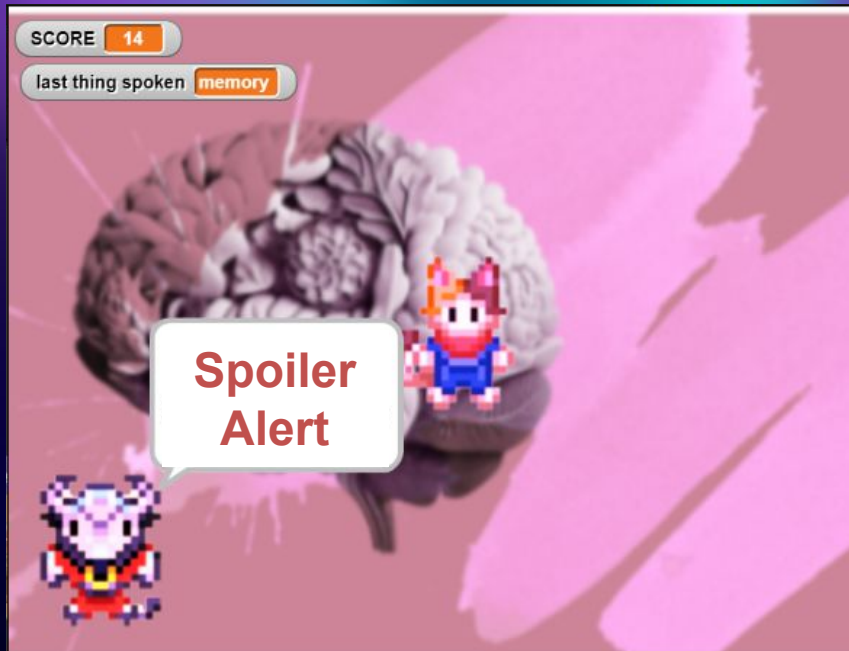

This is the navigation menu:
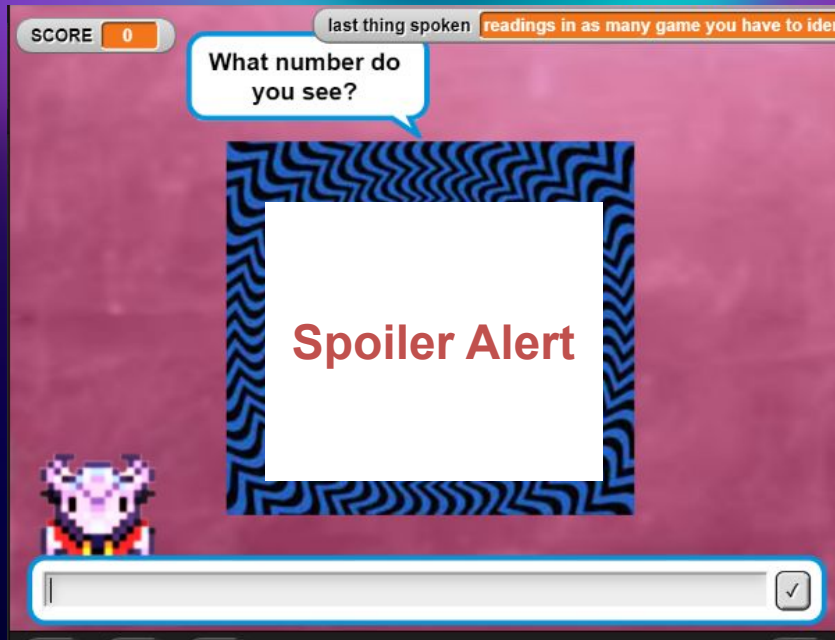

How do I use the App?

Mini- Game 1

Memory

SCORE 14

last thing spoken memory

Spoiler Alert

- Say 1 to go to the mini game and "Memory" to start it and "done" when you're finished
- You'll have 15 seconds to memorize a series of 9 words
- After the time is up, you'll have to say the words you remember in any order
- Each word earns you 3 points

Mini- Game 2

Vision

- Say 2 to go to the mini game You'll have to try and find the numbers.

- Each number earns you 5 points

- If you're lost, just click on the picture

Mini- Game 3

Focusing

- Say 3 to go to the mini game You'll have to try and say what color the words are written in (not the words themselves).
- Each word earns you 1 point
